[Final Fantasy Tactics Job Guide](#)

[Paladin]					
Category	Situation	Command	Name	Description	
Brewery Attacks	Grounded	● ●	Light Slash	Send your foe skyward with a slash, and follow up with another attack or two.	
		● ● ●	Radiant Wings	Barrel roll into your foe and slice through them in a crisscross pattern.	
	Airborne	↑ ● ● ●	Sacred Cross	Knock an opponent higher in the air with a powerful blow, and send them crashing to the ground with another.	
		↓ ● ● ●	Saint's Fall	Attack with a quick downward thrust followed by an upward charge.	
Dashing	●	Searchlight	Cast a spherical set of arcane circles that emit orbs of damaging light.		
HP Attacks	Anytime	●	Luminous Blast	Conjure a fast-moving orb of light that eventually explodes. This attack is more powerful for a short time after changing jobs.	
		●	Paladin Force	Reset your target from in close with a spell, and attack with your sword.	
	Ex Skill	Anytime	●	Soul Eater	Switch to dark knight and run your foe through from close range with the power of darkness.
			●	Holy Flame	Create a pillar of light that restores your HP and damages your foe.
[Knight]	Grounded	● ● ●	Shadow Bringer	Slash your opponent with two powerful blows and charge into them, sending them flying.	
		↑ ● ●	Dark Bane	Brandish your weapon and send a wave of darkness rushing toward your foe.	
	Airborne	↑ ● ●	Abyssal Gate	Spawn a dark void that draws in any surrounding foes before exploding. (Hold to charge)	
		● ● ●	Nightfall	Crush your opponent with two horizontal blades before plummeting to the ground with your enemy in tow.	
Dashing	●	Gravity Orb	Launch a magic projectile that slowly pursues your opponent.		
HP Attacks	Anytime	●	Tenebrous Blast	Hurl an orb of darkness that slowly pursues your foe and eventually explodes. This attack is more powerful for a short time after changing jobs.	
		●	Paladin Force	Switch to paladin, reset your target from in close with a spell, and attack with your sword.	
	Ex Skill	Anytime	●	Soul Eater	Run your foe through from close range with the power of darkness.
			●	Dark Flame	Sacrifice HP to create a pillar of darkness.
Ex Skill	Anytime	●	Job Change	Switch to dark knight, temporarily raising your attack and defense. Both attributes will gradually return to their base value.	
		●	Job Change	Switch to paladin, temporarily raising your attack and defense. Both attributes will gradually return to their base value.	

* Cecil's starting job can be chosen during character selection.

type: **VANGUARD**
 Cecil fights using the power of both light and darkness. Changing to a job increases his power for a short time. It's fitting how to wield both his abilities effectively is essential to victory.
 —FINAL FANTASY IV—

Attack on the ground as a dark knight and take to the air as a paladin to make quick work of your foes.
